## GARRETSON IS RE-ELECTED BY ORCHARDISTS

Harold R. Garretson, Aspers R. 1, was re-elected president of the Adams County Fruitgrowers Association at its annual meeting Saturday at Biglerville.

John Baugher, Aspers, was elected vice president, to succeed Richard Slaybaugh who asked to be relieved of the duty because of the pressure of business.

Philip Roth, Fairfield, was named secretary and Mac Lott, treasurer.

A total of 240 attended the sessions which began Saturday morning in the elementary school cafeteria at Biglerville and ended Saturday afternoon with a session in the Biglerville High School auditorium.

### TWO MAIN THEMES

Better production and better merchandising were the two themes of the meeting.

A number of speakers referred to a new chemical, Morestan, for control of European red mite. Because of the new chemical, fruitgrowers will have three choices of spray schedules this year, Pennsylvania State University specialists told the growers.

To the normal two spray schedules, one for fruit going to the processor, the other for fruit to be sold on the fresh market, will be added a third spray schedule using the new material which can be used to produce fruit that can be either canned or sold fresh.

Dr. Henry Menusan, of the Pennsylvania State University, told of the new chemical and the results of its tests. He announced the plans for the third spray schedule. In a panel discussion on "Our Experiences in Mite Control," other speakers told of successful use of the Morestan chemical. Dean Asquith of the Arendtsville laboratory was moderator for the panel.

### MEMBERS OF PANEL

Members of the panel included Nelson Kane, horticulturist for C. H. Musselman Co.; Elmer Moore, who while with Agway last year assisted in experimental work at the I. Z. Musselman orchards; Everett Weiser, York Springs fruitgrower, and Harold Steiner, Gettysburg R. D., who reported on results of a double application of oil. Moore and Kane told of helicopter spraying, including use of the new chemical.

Dr. Menusan in his talk warned that scale seems to be increasing in the area.

Dr. Carlton Taylor of Pennsylvania State University spoke generally on scab and outlined procedures to combat the disease. He also warned growers to "follow the directions on the label" in using materials. He warned against "giving your neighbor, who has only a few trees some materials in unmarked containers, due to the poisonous nature of some materials."

Dr. Fred Lewis of the Arendtsville laboratory, outlined a num-

## Khanh Holds Out Against Junta Rulers

SAIGON, South Viet Nam (AP) — South Viet Nam's new junta negotiated long distance with Lt. Gen. Nguyen Khanh today as it tried to carry through its ouster of the armed forces chief and get him out of the country.

Three members of the Armed Forces Council were reported back from Dalat where they have been dickering with the former strong man. There was speculation that they offered Khanh a post abroad to get him to agree to leave South Viet Nam.

Military leaders in Saigon had announced that Khanh had agreed to step down but said later he had asked to meet with a full session of the Armed Forces Council to discuss his future.

One report said Brig. Gen. Nguyen Khanh Thi, impatient with Khanh's stalling, had threatened to drop paratroops in the Dalat area 200 miles north-east of Saigon.

New military activity around Saigon Airport kept tension up.

## 3 TEEN-AGERS HURT IN CRASH SUNDAY NIGHT

Two young women and a youth were admitted as patients at the Warner Hospital as a result of injuries received in an auto accident seven-tenths of a mile west of here on the Fairfield Rd. at 10:15 o'clock Sunday evening.

The three, Shirley A. Tayac, 17, Fairfield; Patricia A. Taughinbaugh, 16, Gettysburg R. 4, and Fred Little, 17, Hanover R. 1, were passengers in a car operated by Arthur R. Pittinger, 13½ South St., McSherrytown.

Police said the Pittinger car was headed west on the Fairfield Rd. when an eastbound car operated by Garry T. Hawbaker, 20, Fort Loudon, collided with the Pittinger vehicle. Following that impact, the Pittinger vehicle collided with the bridge abutment over Willowhoughy Run. Damage was estimated at \$150 to the Hawbaker car and \$600 to the Pittinger vehicle.

The hospital reported today that Miss Taughinbaugh is suffering from a fractured skull. Miss Tayac has contusions and abrasions of the arms and Little has a fracture of the right arm.

### 2 DRIVERS UNHURT

Woodrow Blackwell, 50, Aspers R. 1, escaped injury Sunday night at 7:40 when he fell asleep, according to police, while driving through Arendtsville, and his car crashed into a parked auto owned by Harvey Raffensperger, Arendtsville. Damage was estimated at \$250 to the Blackwell auto and \$300 to Raffensperger's vehicle.

Another driver to escape injury, according to the police report, was Donald L. Speelman, 27, Biglerville R. 2. Police said Saturday afternoon at 4:50 Speelman's car failed to negotiate a curve on the old Lincoln Highway eight miles west of here. The car climbed a 15-foot embankment, rolled down onto the highway, coming to rest on its wheels. Speelman climbed from the demolished auto unhurt, police said.

## DAMAGE SUIT IN FATAL CRASH GOES ON TRIAL

Trial was begun this morning in county court of the trespass action brought by Charles G. Naylor Sr., Biglerville R. 1, administrator of the estate of Ronald G. Naylor, deceased, against Guy A. Herring, Arendtsville, with Harold M. Steiner, Gettysburg R. D., as additional defendant.

The jury hearing the case went to Arendtsville this morning accompanied by the attorneys and others to view the site where Ronald Naylor was fatally injured August 5, 1963, when his motorcycle and a truck operated by Herring were in a collision.

Attorneys Gerald R. Walmer and Oscar Spicer are representing Naylor, Attorneys Richard A. Brown and Donald M. Swopes represent Herring and Attorney S. M. Raffensperger is counsel for Steiner.

### HEAR ONE WITNESS

At the opening of the trial it was stipulated that Ronald Naylor died August 9, 1963, as a result of head and brain injuries, that his hospital bill was \$207.43, medical bill \$45 and that the funeral expenses were \$715.

Only one witness was on the stand this morning, Marcella Altice, 14, of Arendtsville, who said she was walking west on the main street in Arendtsville, across the street from the research laboratory when she saw Naylor go by, headed east, on his motorcycle. She said at that moment he took his left hand off the handle bars and seemed to be trying to push down his shirt tail. Later she heard a crash behind her and looking back saw a bus, Herring's truck and Naylor's motorcycle. Naylor was lying on the road.

## Negro Is Held In Murder Of Malcolm X, Leader Of Rival Faction, Sunday Afternoon

By MALCOLM STEPHENSON  
NEW YORK (AP) — A 22-year-old Negro today faced a homicide charge in the assassination of Malcolm X, a black nationalist leader.

Malcolm X, 39, died in a volley of shotgun and pistol fire as he started to address a rally of his Muslim splinter group Sunday in an upper Manhattan ballroom.

A homicide charge was lodged early today against a man identified by the FBI as Talmadge Hayer, 22, alias Thomas Hayer, a Negro whose last known address was Paterson, N.J.

### FIVE INVOLVED

Police said at least five persons were believed involved in the killing — as Malcolm X reportedly was preparing to identify assassins he charged had been seeking his life.

The FBI said the only notation on Hayer's record was an arrest on a charge of possession of stolen property in Passaic, N.J., on

## G. W. BIRTHDAY IS OBSERVED BY CONGRESS

WASHINGTON (AP) — The Senate and House were to meet briefly today for the traditional readings of George Washington's Farewell Address.

Sen. James B. Pearson, R-Kan., was to read the first president's address in the Senate, while Rep. Del. Clawson, R-Calif., was to handle the job in the House.

Prediction of an early adjournment of Congress, possibly by July, came from Senate Democratic Leader Mike Mansfield, who based it on the pace of committee hearings and speedy Senate approval so far of such measures as the Appalachia aid bill and the presidential succession constitutional amendment.

### PRODUCTION SESSION

"The committees are moving ahead nicely and it looks as if we'll have a productive session and early adjournment," the Montana Democrat said in a weekend interview.

"If we are lucky we could be through by midsummer," Mansfield defined that as sometime between July 1 and Aug. 1.

In 1956, Congress adjourned July 22 but since then most sessions have run into the fall and winter.

The only scheduled business in the House this week is approval of routine resolutions providing money for legislative committees to hold hearings and investigations during the year.

House committees continue hearings on foreign aid and health care for the aged.

The Senate Foreign Relations Committee holds hearings today and Tuesday on a House-passed bill providing the Arms Control and Disarmament Agency with an authorization of \$40 million for three years.

## Urges Farmers To Attend York Meet

County Agent Thomas E. Piper today urged county farmers to attend a meeting on "Construction of Farm Buildings" to be held Friday at the Avalon Dairy Restaurant in east York.

Those planning to attend are to telephone Piper by today to permit him to make luncheon arrangements for the session which will begin at 10 o'clock in the morning.

Steven Spencer, Lester Burdette, J. A. McCurdy and A. R. Carlson will be the Pennsylvania State University specialists serving as the speakers for the five-hour-long session.

Among subjects listed for Burdette are "Beef Cattle Layouts and Equipment" and "Environmental Requirements for Swine." McCurdy will speak on "Insulation and Ventilation" and "Electrical Wiring Considerations." Spencer's subjects will be "Dairy Stable Layouts," "Loose Housing and Free Stall Systems" and "Milk House Construction." Topics for Carlson will be "Construction Details for Tie Stall Barns" and "Construction Details on Loose Housing Systems." There will be several questions and answer periods during the day.

## Report Votes On Roll Calls In D. C.

The Associated Press reported from Washington that Congressmen Crayley voted for a bill extending life of the Arms Control and Disarmament Agency for three years. In the Senate, Sen. Scott was recorded as voting for maintenance of certain gold reserves by the federal reserve banks. Sen. Clark was recorded as not voting. The bill was defeated.

In another Senate vote, a bill ending 25 per cent gold cover for federal reserve notes was passed with Scott supporting it and Sen. Clark listed as not voting.

The House bill supported by Crayley was passed.

## Wedding

### Rager-Dietrich

The wedding of Miss Virginia Marie Dietrich, daughter of Mr. and Mrs. Daniel W. Dietrich, R. 1, to Norman Russell Rager Jr., son of Mr. and Mrs. Norman R. Rager, Littlestown R. 2, was solemnized in St. Joseph's Catholic Church, Bonneville, Saturday morning at 10 o'clock. The Rev. Fr. Louis Forgeng officiated at the Nuptial Mass and performed the doubling ceremony.

The church was decorated with white gladioli and red carnations. The organist was Mrs. Bernard Walters who also accompanied the soloist, Mrs. Thomas Fisher, York, cousin of the bride.

Given in marriage by her father the bride wore a gown of silk organza fashioned with a fitted bodice and full skirt ending in a chapel train. The scoop neckline was outlined with appliques of Alencon lace. The long sleeves tapered to points over the hands. Alencon lace appliques also accented the front of the skirt. Her chapel-length veil fell from a seed pearl crown. Her only jewelry was a gold cross, a gift of the groom. She carried a cascade of white roses, carnations and hyacinths.

**HYAL RECEPTION**  
The maid of honor, Miss Barbara Ann Smith, Littlestown R. 2, wore a street-length red velvet dress with bell shaped skirt, scooped neckline, with matching headpiece and shoes. She carried a bouquet of white roses and red and white variegated carnations.

Rodney L. Rager, 100 Lumber St., Littlestown, served as best man and the ushers were Dennis R. Rager, Littlestown R. 2, brother of the groom, and Daniel W. Dietrich Jr., Gettysburg R. 1, brother of the bride.

The mother of the bride and the mother of the groom wore blue dresses with a corsage of white roses.

Following a reception held at St. Joseph's parish hall the couple left on a wedding trip to an unannounced destination. For traveling the bride chose a two-piece deep beige cashmere suit and white satin blouse with black accessories. Upon their return they will reside at 25 Pleasant St., Hanover.

The bride is a 1962 graduate of Delone Catholic High School. She is employed as a secretary at that school. The groom is a 1962 graduate of Littlestown High School and is employed at the Carroll Shoe Co., Littlestown.

## FM RADIO AIRS HIS NEIGHBOR

PHILADELPHIA (AP)—When George Barker turns on his FM radio he hears everything that goes on in the apartment of Mrs. Judith Keith, 150 feet away, in suburban Folsom.

He doesn't know why. It's a mystery to Mrs. Keith. And the electronics experts are stumped. It all started last Thursday night when the Barkers were playing cards and turned on the radio, expecting music. Said Barker:

"My wife started fiddling with the dial. At about 107 megacycles she picked up what sounded like a family having supper."

### IT'S A MYSTERY

"We thought it couldn't be a performance because it was too natural, like a woman telling her kid to eat her lettuce. Then there was talk about a sick cat and getting it to a veterinarian."

"I thought I should warn the woman," Barker continued. "For all I knew somebody might be bugging her place. Mine, too."

Since then a parade of telephone men, radio and television mechanics, electronic engineers, ham radio operators and others has been trying in vain to solve the mystery. They all say they have never heard of anything quite like this.

## CARL WISEMAN IS FOUND DEAD

Carl E. Wiseman, 36, was found dead at his home at rear of 41 McAllister St., Hanover, Sunday morning. Dr. Withers, a deputy coroner of York County, said the death was apparently suicide.

Wiseman was the son of Jesse and Ruth (Roland) Wiseman, 108 Cemetery St., Littlestown.

He is also survived by his wife, June (Clapsaddle) Wiseman and a stepdaughter, Sherry L. Orndorff, and these brothers and sisters: Robert Wiseman, Littlestown; Mrs. Erma Laughman, New Oxford R. 1; Mrs. Doris Yingling, Hanover R. 3; Mrs. Betty Blumhagen, Littlestown; and Terry Wiseman, at home. A grandmother, Mrs. Grace Roland, lives in Hanover.

Wiseman was a Korean War veteran and belonged to the VFW of Hanover.

Funeral services will be held Wednesday at 1 p.m. at the Little Funeral Home, Littlestown. The Rev. W. C. Kams, pastor of St. Paul's Lutheran Church will officiate. Interment in National Cemetery at Gettysburg.

Friends may call at 7 o'clock Tuesday at the funeral home.

## Prof. Johnson Gives Travelogue

Lester O. Johnson, member of the faculty at Gettysburg College, Sunday evening at the West St. Branch of the Gettysburg National Bank presented slides of scenes in Japan, Australia, New Zealand and Tahiti which he took during a recent trip to those areas.

The illustrated talk was one of a series of travelogues sponsored by the Gettysburg Photographic Society in which local people show slides of areas they have visited and tell of their experiences there. About 50 attended Sunday night's program.

Dr. C. A. Sloat, of the committee in charge, said the next travelogue will be on Ireland, and will be presented by Marie Carton Freeman, Gettysburg R. 6.

## ANOTHER BILL FROM WORLEY

Assemblyman Francis Worley has submitted another bill at Harrisburg, this one providing for the exemption of vehicles from licenses for farm vehicles used to take produce to market. The exemption previously applies only to movements on highways between segments of a farmer's property.

The bill reported last week dealing with an antlerless deer season provides for a one-day season on antlerless deer not more often than once every three years. Mr. Worley said the bill was introduced at the request of sportsmen. The new bill he has offered with regard to the licensing of junk dealers would repeal the \$200 license fee now charged.

Mr. Worley said the state department of the American Legion has endorsed his bill to lower the voting age to 18.

In a previous listing of Mr. Worley's bills in a state legislative index, one measure was incorrectly reported as offering an amendment to the state employee retirement act by per-

## COLD WAVE DIPS MERCURY BELOW ZERO

By THE ASSOCIATED PRESS  
Arctic weather which plunged temperatures below zero in the upper Mississippi Valley and western Great Lakes region spread chill to the Atlantic seaboard today.

The spread of cold covered everywhere east of the Rockies except the extreme Southeast. The low 30s embraced much of Texas.

International Falls, Minn., reported 24 below zero. It was -13 at Marquette, Mich., -11 at Houghton, Mich., and zero at Sault Ste. Marie, Mich., and Madison, Wis. Minneapolis, Minn., had -4.

### 40 MILE WINDS

The mercury dropped from the high 50s Sunday to the low 30s at Washington, D.C., where winds blew 40-mile gusts.

Rain and showers gave way to snow flurries in the northern Atlantic coastal states.

Skies were clear over the Midwest and Great Plains.

Swirling snow fell through the northern Rocky Mountain region, and in the Far West, increasing cloudiness and precipitation spread from the Washington and Oregon coast across the intermountain section. Light rains fell from Northern California through western Washington, and there was some snow inland.

### ONE IN SPAIN

They were the first prelates from Communist lands to be made cardinals since 1953.

The 27th new cardinal, Bishop Angel Errary Oria of Malaga, Spain, was not in Rome. In accordance with the tradition for Catholic countries, he will receive his insignia from the Spanish chief of state, Generalissimo Franco.

Also among the new cardinals were three Middle East patriarchs and the second Negro elevated to the college. Archbishop Paul Zougrana of Upper Volta. The patriarchs are Maximus IV Saigh Melchite Patriarch of Antioch; Paul Pierre Meouchi, Maronite Patriarch of Antioch, and Stephanos I Sidarous, Coptic patriarch of Alexandria.

The traditional week-long round of ceremonies and pomp was drastically reduced and streamlined.

One of the chief ceremonies of the consistories, the conferring of the broad-brimmed red galero hat which cardinals never wear, was eliminated entirely.

### RECEIVES PROMOTION

Donald E. Smith, son of Mr. and Mrs. Carroll B. Smith, R. 1, has been promoted to divisional production manager by the Inland Container Corp. He is now stationed at South Haven, Mich.

ber of methods of saving money in pesticide applications.

Dr. Carl Haeseler of Pennsylvania State University spoke on a method of "Foliar Analysis" now in use in some states and which probably will become available to Pennsylvania fruitgrowers in the near future. The program consists of securing 50 to 70 leaves from particular locations on trees and sending them to a laboratory. There they are tested and from the tests determination can be made of whether the tree is getting sufficient minerals of various types. Soil sampling, he noted, tells whether there are sufficient nutrients for the trees in the ground, but cannot tell whether the minerals are getting into the tree.

Former Congressman George A. Gooding, now executive secretary of the Pennsylvania Horticulture Society, gave details of the increased production of fruit and said: "We will have to do more work in marketing the foods we are producing." He urged membership in the state organization. County Agent Thomas E. Piper joined in urging the county fruitgrowers to "become more active in the state organization and in national organizations."

Laurence Yager, area marketing specialist, spoke of opportunities for marketing peaches.

County Agent Piper told the growers that "today's problems are much more complex than those of a generation ago." The fruitgrower, he said "is going to have to trade his aching back and sore muscles for headaches and gastric ulcers." Where production problems of a generation ago led to the "sore muscles," today "machinery to a large extent is cutting down on the amount of muscle power needed. But at the same time today's problems of management, salesmanship, cooperation, human relationships are forcing the farmer into a position where he will have to use his head, rather than his muscles, to survive. By 1970 Pennsylvania fruit production, based on present plantings, will have increased by 43 per cent. Throughout the nation, with Washington state having the largest increase of all, there will be significant

increases in production. Italy and France have increased their production to the point where Europe will soon be exporting rather than importing, which will cost us a market.

"To meet that problem we will have to promote our fruit if we intend to sell it. Adams County fruitgrowers have done a good job of promotion in the past, but you cannot quit advertising, you have to increase the budget for advertising all the time."

"An example of how we missed the boat in advertising was the state farm show this year. Only one Adams County fruitgrower had an exhibit there, in addition to the county exhibit. I had a red face and hurt pride. How could I tell them about the top apple producing county in the state when it was practically unrepresented at the show?"

### NOTES ANNIVERSARY

Piper noted the 50th anniversary of the Golden Delicious apple. In September, 1914, he said a man found a tree bearing Golden Delicious in Clay County, Va. He sent three of the apples to a nursery concern in Missouri and today there are 24 million Golden Delicious trees in the world. A few years ago a dwarf type spur of Golden Delicious was found in Washington state "which provides to give the Golden Delicious an even greater place in the apple world."

He urged the members to attend the national peach conference March 11 and 12 at Rutgers University at which "70 outstanding growers and specialists from the U.S. and Canada will be speakers."

State Senator D. Elmer Hawbaker spoke on legislative reapportionment and said he fears that as a result of the new one person-one vote decision of the Supreme Court "the cities will take control of the state." He urged the fruitgrowers to assist in getting an amendment passed to the U.S. Constitution by writing their U. S. senators and congressmen.

William Wilson gave the report for the resolution committee. Among resolutions were ones asking the county agents to promote studies on decreasing fruit damage by birds, thanking WGET for its weather reports, and thanking the Upper Adams School System for its cooperation in permitting use of the schools by organizations such as the fruitgrowers. President Garretson reported the labor committee headed by Clair Winand will have a report in the near future.

Elmer Moore reported on the past year's television programs over WGAL-TV and asked to be relieved of the responsibility for the programs because of the extension of his territory. Mrs. Richard Trostle was named chairman of the committee. Ralph Sandoe reported on last year's apple blossom festival and expressed the hope that this year's program may be equally successful.

A letter of thanks was read from John Pepper for the gift and honors given him by the county fruitgrowers last fall. Pepper, retired after many years with the Pennsylvania State Extension Service, was reported as now in Florida and working on several projects there.

outgrowth of the bitter breach between the Organization of Afro-American Unity headed by Malcolm and Elijah Muhammad's Black Muslims.

### NO DISORDER

The slaying created excitement in Harlem, but there was no disorder.

Beefed-up police patrols moved through Harlem streets through the night and morning hours.

Police said today that "a great many people" remained to be questioned, but no further arrests were imminent.

A dozen Muslims, whose spokesman said they were not followers of Malcolm X, got in touch with police today in an effort to arrange a Muslim funeral for him.

### 500 AT RALLY

The unidentified spokesman for the Muslim delegation told newsmen: "We just came here to see that he gets an orthodox Muslim funeral." He said Muslim rites require that "the sun should not rise and set twice on the body of a dead Muslim."

Malcolm was shot fatally on the stage at a rally in the Washington Heights section, north of Harlem. His wife, Betty, 35, awaiting the birth of their fifth child, was in the hall.

Malcolm had started to address a gathering of about 500 followers and sympathizers, when a commotion, apparently planned, broke out in the rear of the second-floor ballroom. It drew his bodyguards in the direction of the disorder.

### SHOT IN CHEST

Under this cloak of confusion, three men with revolvers and a sawed-off shotgun raced down the aisles, pumping shots into Malcolm's chest.

Police Capt. Paul Glaser said Hayer shot Malcolm X with a shortened, double-barrelled shotgun. Two pistols also were fired at him.

Hayer and two spectators were wounded in a wild melee that followed.

Hayer, with a pistol wound in a leg, was held in the prison ward of Bellevue Hospital.

Police said Hayer was shot by Reuben Francis, 33, a Negro identified by police as Malcolm's secretary and bodyguard. Francis was arrested on charges of felonious assault and illegal possession of a pistol.

Police rescued Hayer from a frenzied crowd of Malcolm's followers.

The two other men wounded apparently had no part in the assassination or the melee that followed, police said.

## 103 TRAPPED IN MINE BLAST

TOKYO (AP) — A gas explosion ripped a coal mine in Japan's northernmost main island of Hokkaido today, trapping 103 miners, police said. Nine of them crawled to safety.

Seeping gas prevented more than 100 rescuers from approaching the mine for hours. The National Police Agency said an appeal was made for gas masks.

They arrived four hours after the explosion and the rescue workers began digging.

A police spokesman said there were no details as to the cause of the accident in Yubari, a major coal mining city about 600 miles north of Tokyo. The explosion occurred at 6:30 p.m. at the Yubari refinery of the Hokkaido Colliery Co.

The accident came 15 months after 453 miners died in Japan's worst postwar mine disaster after an explosion ripped through a mine on the southern island of Kyushu.

## YANK KILLED IN C. V. NAM

SAIGON, South Viet Nam (AP) — One American was killed Sunday and two were wounded as powerful Viet Cong forces continued smashing at government units in central Viet Nam.

A U.S. Marine officer and seven Vietnamese soldiers were killed in a heavy clash in the northern part of mountainous Binh Dinh Province, 300 miles northeast of Saigon.

The officer was with two marine battalions which were set up two weeks ago after Viet Cong forces in the area killed or captured about 500 government troops.

Maine. He joined the faculty at Smith College in 1926 as professor of psychology and retired as professor emeritus in 1963.

Dr. Taylor is known for the part which he played in the psychological analysis of one of the most extraordinary and baffling cases which has occurred in the history of clinical psychology. This was the case of William Leonard, late professor of English at the University of Wisconsin, who was an extreme phobic — a man who lived in constant fear of almost everything, and who spent the latter years of his life imprisoned in his home because he was afraid to walk more than a very short distance from it. This was the famous case of "The Locomotive God."

With Professor Taylor's help and direction, Leonard began a searching psychological analysis which eventually led to the discovery that his phobias had their origins, at least in part, because of a terrible fright which Leonard experienced at age two, when a locomotive roared into a railroad station and was interpreted by the child as God himself coming down out of the sky to punish him.

Professor Taylor has a special interest in the subject of multiple personalities. In association with M. F. Martin, he has written a monograph summarizing the facts concerning 78 persons who had multiple personalities.

Professor Taylor anticipated Alfred Kinsey by 15 years, and studied the attitudes of graduate students toward their sex practices — writing a monograph which soon became well-known and entitled, "A Critique of Sublimation in Males."

Along with Hawkins and Lazercowitz, Dr. Taylor made a study of students' ratings of courses at Smith College. The authors believed that systematic students' ratings can be valuable both for teacher and for the administration, although the majority of the Smith College faculty, on the basis of a recent adverse vote, do not agree with him.

## FIRE DAMAGES CLAY'S HOME

CHICAGO (AP) — Fire damaged extensively the apartment of heavyweight boxing champion Cassius Clay Sunday night a few hours after Black Nationalist leader Malcolm X was shot to death in New York.

Clay was not in his third-floor apartment at the time, police said. Firemen said the blaze, confined to a second- and third-floor flat in a 30-apartment building on the South Side, caused an estimated \$6,000 damage. No one was injured.

William Foley, fifth division fire marshal, said there was no possibility of arson.

Clay hurried from a night club when told of the fire. Asked if he thought the blaze was started by his enemies, he said: "No, no, no."

Clay joined the Black Muslim sect last year and adopted the name, Muhammad Ali.

trolled by the Viet Cong, the marines were virtually pinned down in narrow valleys. More than three quarters of Binh Dinh Province has been taken over by the Viet Cong.

Two other U.S. advisers were wounded in other clashes in Binh Dinh Province.

was a matching blue tiara trimmed with sequins and pearls and a chin-length veil. She carried a white muf with blue iris, pink and white carnations.

The bride attendant, Miss Jean Moomaw, E. York St., Biglerville, wore a gown similar to that of the maid of honor.

James Sutton, 76 Gaston Ave., Somerville, N.J., served as best man and the ushers were Elmer Van Arsdale, Larry Bushey and Harry Griest, all of Biglerville R. 2.

Wayne Bushey, Biglerville R. 2, was the ring bearer. The flower girl, Miss Tina Wertz, Aspers R. 1, wore a dress with a medium blue velvet top and a skirt of white organza. She wore a headband of white fur and carried a white fur muf with blue iris and pink and white carnations.

The bride's mother wore a rose puffed crepe dress with matching accessories and a corsage of white cymbidium orchids. The groom's mother wore a honey gold velvet suit with brown suede accessories and a corsage of yellow cymbidium orchids.

Following a reception in the social room of the church the couple left for a two-week wedding trip to Florida. For traveling the bride chose a three-piece turquoise knit suit with black accessories and a white orchid corsage. Upon their return they will reside at Biglerville R. 2.

The bride graduated from Biglerville High School in 1962 and from Central Pennsylvania Business College in 1964. She is presently employed as a medical secretary at the Carlisle Hospital. The groom graduated from Somerville High School in 1960 and is presently employed with his father in dairy farming.

Out-of-town guests were present from Hershey, York, Harrisburg and New Jersey.

## CV Exhibition To Open April 4

The opening date for the 33rd annual exhibition of Cumberland Valley Artists has been set for Sunday, April 4. The regional fete, held under the auspices of the Washington County Museum of Fine Arts, at Hagerstown, has been an event area artists and friends of the arts have come to look for each year at the museum.

To be eligible, the artist must be a resident or former resident of the general territory bounded between the cities of Cumberland, Md.; Harrisburg, Lancaster, Woodstock, Va.; and back to Cumberland, Md. Original work in painting, drawing, graphic media, sculpture, ceramics, or any combination thereof, may be exhibited. Each artist is allowed to submit two items executed during the past two years. There is no expense to the artist in participating in this exhibition other than responsibility and costs involved in transporting the works of art to and from the museum. Applications must reach the museum by Saturday, March 20, and all entries must be at the museum by Tuesday, March 23.

More than six hundred dollars in cash or merchandise will be awarded by the sponsors.

Junior Girl Scouts, Troop 965, may pick up additional cookies for sale at the home of Mrs. Robert Fidler, Harrisburg Rd. Her telephone number is 334-2081.

## Today's Talk

### INDIFFERENCE

One of the surest ways to lose battles and friends is to be indifferent. Indifference has many a time changed the course of history. To win any sort of a battle, all that we possess should be thrown into it, if we desire victory. It's the same with the holding of a friend. To keep that friend there must be wholehearted loyalty, accepting that friend as is — faults, virtues and all!

There is so much imperfection in us all that we should be kindly toward imperfections in others. Their virtues can be made to shine before our eyes with so much more glow and satisfaction when we show an interest in all the undertakings of our friends. More friends are lost through indifference than anything else.

There is something deadly about indifference that eats into the soul. It is through the indifference of the people of a nation that their liberty and freedom often have been swept from under their feet. We get bad legislators because of our indifference toward good government.

The privileges and opportunities in a democratic state are endless, but if we are governed by indifference toward them we are apt to lose them without realizing their loss until it is too late to save them. We only preserve those things in which we are interested in preserving. A citizen's free ballot is one of his greatest inheritances. It is his personal key to good government — if he wants it! Through indifference to his ballot, by a non-use of it, often bad government results.

The employer who is interested in his employees, giving them encouragement and cheer, can hardly fail to be anything but successful. Indifference to a good worker's worth has often lost that worker, and to a wiser competitor! On the other hand, indifference toward one's own work pays no one. Glory in the new day that is yours. Be not indifferent to its revelations and blessings. Give the most and all that you are to it, in your work, with your friends, and when at the close, meditate upon all that has been yours, and upon all that you have given away!

### WINTER GARDENING

Here we are in zero weather. At the fireplace, heads together. Planning, shall we, shall we not change about the garden plot? Can we now afford the space? For a bit of Queen Anne's lace?

Still are seven weeks or more until springtime finds our door. Cold the wind and white the snow. Where we're planning mint shall grow.

Bleak and barren is the spot. Where shall be forget-me-not. Here enraptured now we gaze Deep into the fire-log's blaze. Seeing clumps of larkspur blue, Marigold and zinnias, too. Hearing wren and robin sing, Just as though had come the spring.

Out of doors all things we know Captives are to ice and snow. Cold the ground where soon shall be.

Blossoms of the almond tree, But beside the fire we stay Plotting loveliness for May.

## Junior High Party Held On Saturday

"February Treasures" was the theme of the annual Littlestown Junior High School party held on Saturday evening at the high school. Approximately 250 persons including students of Grades Seven, Eight and Nine and their guests were in attendance.

There was dancing in the foyer to recorded music. The following program was presented: Vocal selections by the Freshmen sextet, composed of Darla Harner, Sandra Crouse, Brenda Bittle, Wendy Arter, Deborah Rhodes and Mary Ellen Orndorff, accompanied by Elizabeth Patterson; humorous recitations, James Rohrbach; folk songs by Quatre Elles, Dianne Byers, Jackie Elder, Peggy Myers and Martha Ritter, followed with folk singing by the audience.

The group then enjoyed refreshments in the cafeteria. Decorations were in keeping with Valentine's Day, the birthdays of Lincoln and Washington.

All arrangements were in charge of the Ninth Grade with these committees serving: Decorating, Douglas Ruggles, chairman, Sally Myers, Debbie Rhoades, Pamela Spalding, Eugene Bittle, Jean Keifer, Sally Morelock, Ronald Conover and Tamara Jago; refreshments, Deborah Kammerer, chairman, Cynthia Harner, Yvonne Unger and Lana Wastler. The faculty advisors were Miss Dorothy P. Crabbs, Guy Oyler and John D. Bream.

The February session of the Littlestown Borough Council will be held at the Community Center at 7 o'clock on Tuesday evening.

Mrs. Otto C. Sells will present the program "Expressing Yourself" and Mrs. Gene R. Renner will have the program "Let's Match Wits" at the monthly meeting of the Eta Tau chapter of the Beta Sigma Phi sorority at 8 p.m. on Tuesday at the home of Mrs. Jay C. Showmaker, W. Myrtle St.

## Window Displays Being Discussed

The historical window display committee for the Littlestown bi-centennial observance met Friday evening at the home of the committee chairman, Mrs. William M. Ebaugh, when the main interest of the committee was to consider if the windows in the business district may be decorated for the observance. Members of the committee will interview the various businessmen to learn if the windows will be available to decorate, if the businessmen themselves plan to decorate their own windows or if they will allow members of the committee to decorate the windows with historical items.

Items are being sought such as furniture, clothing, photographs, art work, hand work, jewelry, tools, kitchen utensils, various types of equipment or any other historical item that contributes to an interesting display.

Persons having items or information about them are asked to communicate with anyone of the following committee: Mrs. Ebaugh, Mrs. Aileen Anderson, Mrs. Carl H. Baumgardner, Mrs. Charles Bupp, Mrs. John F. Feiser Jr., Mrs. Glenn K. Flinchbaugh, Mrs. William T. Gingrow, Mrs. Robert W. Hall, Mrs. Harry Hess, Mrs. Paul E. King, Mrs. Glenn N. Lippy, Mrs. William J. Lippy, Mrs. Kenneth Shandbrook, Mrs. Earl L. Sites, Mrs. P. Bernard Weaver and Miss Shirley Weikert.

## Gronouski Sworn For Second Term

WASHINGTON (AP)—Postmaster General John Gronouski was sworn in for another term Friday, then reaffirmed his vow that overnight mail delivery is in the offing.

The Postmaster General is the only Cabinet member who must be renominated and reconfirmed periodically.

President Johnson, several Cabinet members and Gronouski's family watched the ceremony.

## Minor Explosion In PSU Laboratory

UNIVERSITY PARK, Pa. (AP)—Authorities are investigating a minor explosion and fire which rocked a laboratory at Pennsylvania State University Sunday.

Nobody was in the lab at the time and there were no reports of anyone being injured. Firemen quickly extinguished the blaze. The flames were confined to one section of the lab in the Pond Laboratory. A damage estimate was not immediately available.

Portugal produces 300 varieties of port wine.

## JOHNSON TO GET DEGREE AT KENTUCKY

LEXINGTON, Ky. (AP)—President Johnson comes to the heart of the bluegrass country today to address the University of Kentucky centennial Founders Day convocation.

Johnson will receive an honorary doctor of laws degree from University President John Oswald, then speak to a full house at the 11,117-seat Memorial Coliseum during his two-hour afternoon stay.

Mrs. Johnson also is making the trip. They will see horse-breeding farms, agricultural experimental farms operated by the university, a residential area with a new shopping center and one of the community's newest hospitals.

### LIKE HOMECOMING

Historians say that this is something of a homecoming for Johnson whose ancestry bears a Kentucky strain dating to 1764 and Margaret Ament, his great-great-grandmother. Mrs. Ament was born and is buried in nearby Bourbon County.

Although this is termed a nonpolitical visit, Johnson has said he was pleased with his plurality in Kentucky — a record 296,682 votes — in the past election.

During the convocation ceremony, the university will present distinguished alumni centennial awards to 81 living and 24 deceased graduates.

President and Mrs. Johnson followed the precedent of four past presidents Sunday at attending services in Christ Church in Alexandria, Va., on the Sunday closest to George Washington's birthday.

Washington was a vestryman at the Episcopal church and Robert E. Lee worshipped there before the Civil War.

The Johnsons occupied the Washington pew, No. 60.

## Fine Performance Gives Bullets Win Over Lehigh; Play At D-son On Tuesday

Playing one of their finest ball games of the season, the Gettysburg College basketball team avenged an earlier setback by walloping Lehigh 69-45 Saturday evening on the home court before 1,700 fans.

Coach Bob Hulton's cagers made an impressive showing with some fine defense combined with a stepped-up offense. The ball handling was better although there was a couple of bad passes. The Engineers handed Hulton's men a 62-58 setback last month in Bethlehem. Since then Lehigh had dropped five straight and Saturday's tilt made it six in a row. Lehigh is now 6-11 on the season. The victory enables the Bullets to even their season record at 9-9.

Dick Arden got Lehigh rolling with a jumper from the key. Chris Sirms followed with a corner shot and 1,000-point man George Strouse hit from the foul circle to make it 4-2. The lead then sawed four times before Strouse converted a three-point play to put Gettysburg into a comfortable 20-13 advantage. However, moments later Tom Bennett, Arden and Rich Benfield started connecting and pushed Lehigh ahead at 27-24 with 5:31 to go in the half.

Bruce Wilson and Sirms made it 28-27 before Bennett came back from the deep corner. Strouse hit from the top of the key and Bill Washychyn landed a free throw to knot the count at 30-30 with 1:33 to go. Strouse closed out the half with a pair of jumpers from around the key to give Gettysburg a 34-30 advantage at intermission and also a lead it never lost.

### DEFENSE SHINES

The payoff came in the second half when Gettysburg continued to shoot and score the way it did in the first 20 minutes and Lehigh fell by the wayside. This can be attributed to the Bullets' fine defensive work the last 20 minutes. Jack Air, 6'8" center, tallied a free throw at 16:52 for the first Engineer score of the half. The first goal came on Bennett's jumper at 10:45, the second was another outside shot by Bennett at 7:09 and the last goal was Clark Russell's tapped rebound at 3:02.

Hulton cleared his bench with six minutes to go in the half and the reserves turned in an excellent job. Steve Satir scored all of Gettysburg's last eight points on a pair of goals and four for four from the foul line.

George Strouse and Chris Sirms paved the way in the scoring department with 20 points each while Sirms netted 11 rebounds. Tom Bennett tallied 14 for Lehigh while Air pulled in 14 rebounds. Gettysburg won the rebound battle by a slim 44-42 edge. Gettysburg was 26 for 65 from the field and Lehigh went 15 for 49.

### FRESHMEN WIN

Coach John Carpenter's yearlings also gained revenge by trouncing the same Lehigh Freshmen 75-53 in the preliminary contest. Graig Guers was once again high man for the Little Bullets with 24 points. Bob Malliamson netted 18 for Lehigh.

Gettysburg will journey to Carlisle on Tuesday to meet a stronger than usual Dickinson team. The respective yearling teams will meet in the preliminary contest.

## GOLD-LADEN RACES ARE ON WEEK'S CARD

### By ORLO ROBERTSON

Associated Press Sports Writer  
Thoroughbred racing opens the week on a rich note today and ends on a still richer one Saturday as promising 3-year-olds, top-flight fillies and mares and the best of the handicap division go after the gold-laden feature races.

The action starts with two stakes for 3-year-olds — the \$50,000-added Santa Anita and the seven furlongs of the \$25,000-added Hibiscus at Hialeah Park. Jacinto, a son of Bold Ruler owned by William Haggin Perry, is the big horse in the Santa Anita. He has won his last four races, including three at Santa Anita, after being beaten in his only other start last August at Saratoga.

### BIG ONE SATURDAY

Mrs. Ben Cohen's Hall to All, a come-from-behind runner, heads a field of 11 in the Hibiscus, final major test for the March 3 renewal of the \$100,000-added Flamingo.  
Coming up Saturday are the \$100,000-added Santa Anita Handicap, in which the fleet Gun Bow is the strong favorite over Candy Spots and Hill Rise, and the \$75,000-Hialeah Turf Cup at 1 1/4 miles.

The big surprise of last Saturday's features came in the \$135,000 Widener at Hialeah when Argentine-bred Primordial II won by one-half length over Hot Dust with such favorites as Going Abroad, Point du Jour and Sunstruck out of the money. Primordial, first foreign horse to win the Widener, earned \$88,140 and paid \$20.80.

Cedar Key won the \$37,500, San Luis Rey Handicap at Santa Anita.

## G-BURG HANDS "HEN" MATMEN INITIAL LOSS

The powerful Gettysburg College wrestling team went to work on the undefeated University of Delaware squad and by the time eight events were over not only did the Blue Hens taste their first setback but their number one man was also tossed in defeat. Gettysburg topped a one-sided 19-8 decision Saturday afternoon in the physical education building.

Doug Wight got things rolling for the Bullets and at the same time pulled a big surprise. His 123-pound opponent, Dick Hamilton, jumped to a 4-0 lead and led 6-0 going into the third frame. Wight then reversed his man and in 42 seconds had him slammed against the mats for a pin. It was the only fall recorder throughout the battle.

Delaware's Bob Ruth, 147-pounder, came into the match with a 7-0 record on the season. Scott Higgins, the Bullets' aggressive Sophomore, pushed the Bullets to a 10-5 lead by decisioning with 7-3, leading from the very start. Gettysburg's undefeated ace, Joe Bavaro, followed and had little trouble in recording his 19th consecutive victory by defeating Mike Glinchey 6-2.

### FRESHMEN LOSE

Toby Miller and Bill Andrews iced the decision for the Bullets by capturing wins in the 167 and 177-pound bouts, respectively. Delaware's lone victories came on decisions by 130-pounder Bill Ashley and heavyweight Chuck Walz. Jake Seitz and Delaware's Jon Heuberger battled to a 3-3 draw in the 137 class.

The Gettysburg Freshmen went down to their third defeat in as many outings when they dropped a 29-3 verdict to the Blue Hens yearlings in the preliminary bouts. Tom Kardash, 147-pounder, was the lone winner for the Little Bullets. Rick Jones, former Gettysburg High School athlete, suffered his third straight loss via a pin.

Coach Ray Reider's grapplers, 9-3-1 on the season, will be idle until Saturday when they journey to Hempstead, N.Y., to meet Hofstra in the final clash of the season.

## SWIMMERS NIP LAFAYETTE IN TIGHT AFFAIR

For the fourth straight time the Gettysburg College swimming team has been involved in a 49-46 meet score this time in favor of the Bullets in a close tangle with Lafayette Saturday afternoon in the home tank before an overflow crowd.

The entire meet was filled with suspense and surprises. Pete Wilson started it in the 50-yard freestyle. He capped a first in 23.1 seconds bettering his own school record of 23.2. In the following event, the 200-yard individual medley, Lafayette ace Buz Callaghan was disqualified for making an improper turn. Callaghan had been leading by over a half a length and his win would have played an important part in the outcome of the meet. Leopard coach Lou MacNeill called his squad to the locker room, delaying the meet a half hour in protest.

After the action was resumed, Wilson came back and splashed through the 100-yard dash, setting another record. He turned in a 51.7 second mark, one-tenth of a second better than Craig Van Tatenhove's mark earlier this year. Sophomore Norm Tinnoff then battled Callaghan in the 200-yard backstroke. Callaghan won by two second but during the race Tinnoff set a new school record with a time of 2:18.9.

Lafayette led 46-42 going into the final event, the 400-yard freestyle relay. The race was nip-and-tuck until third man Wilson came through for the third time during the afternoon and gave the anchor man Van Tatenhove a comfortable lead which gave the Bullets the decision.

Gettysburg is now 6-7 on the season and will take part in the all important Little Three meet at Dickinson Wednesday. The Little Three is composed of Gettysburg, Dickinson and Franklin and Marshall.

The results:  
400-medley relay: 1, Lafayette (Callaghan, Whiteway, T. Smith, Thielier), 4:05.8.

## LATE STARTER WINS TUCSON

### By BOB EGER

Associated Press Sports Writer  
TUCSON, Ariz. (AP) — Bob Charles almost took off last week from his work as a pro golfer but he'll relax this week instead, \$6,900 richer for waiting a few days.

The former British Open champion entered the \$46,000 Tucson Open tournament five minutes before the deadline and led from start to finish with rounds of 65-69-67-70—271.

His 17-under-par total gave the 28-year-old left-hander from New Zealand, a four-stroke victory over Al Geiberger, who trailed by five strokes going into the final round.

Five strokes back at 266 was Don January, who has won the Tucson Open twice. January closed with a brilliant 63 Sunday on the 7,200-yard, par-72 Tucson National Club golf course.

Bill Casper Jr., top over-all money winner on the tour this year, was a stroke behind January at 277.

Charles had just about decided to pass up the Tucson event because he was tired after six straight weeks on the tour.

## Bigger Wrestlers Lose In BML Meet

John Pitzer, Biglerville High School's 154-pounder, was the lone Canner wrestler able to reach the Blue Mountain League finals Saturday at Shippensburg but dropped his title match to Jim Bailey of Big Spring, 6-4.

Five other Biglerville lads who reached the semifinals lost out in their bouts.

Ed Taylor, 112, was pinned by Sherman Hostler, Newport, in 3:59; Don Taylor, 120, dropped a 12-8 decision to Pete Schwartzbauer, Susquehanna; Greg Dixon, 138, was decisioned by Laverne Dudley, Newport, 5-2; Mel Mentzer, 145, lost a 5-4 verdict to Ray Dacheuz, Northern, and Bernie Baker, unlimited, was defeated by Sam Auxt, Susquehanna, 7-5.

## DAVIDSON HAS LONGEST WIN STREAK IN U. S.

### By TED MEIER

Associated Press Sports Writer  
Lefty Driesell's Davidson Wildcats have won 22 straight games, the longest current streak in major college basketball, but it won't mean a thing if they don't sweep through the Southern Conference championship tournament this week.

"Our record is nice," the Davidson coach said. "But I'd trade it to go through the tournament unbeaten."

Driesell's feelings are understandable because the tournament winner gets an automatic bid to the NCAA playoffs and a chance at the national collegiate championship. And the Wildcats, fifth-ranked nationally, have been upset in the tournament the last two years.

### TOURNAMENT FAVORITE

Davidson is favored in the three-day tournament opening Thursday at Charlotte. Oddly, its first-round opponent is Virginia Military, the team that shocked the Wildcats in the semifinals a year ago.

With an over-all 8-12 record to Davidson's 23-1 it hardly seems possible VMI can do it again, but Driesell knows anything happens in this tournament.

Two days before Davidson puts its hopes on the line, the Michigan Wolverines, ranked No. 1 nationally in The Associated Press poll, invade Minneapolis for an acid test against ninth-ranked Minnesota.

### SELLOUT EXPECTED

With the Gophers only one game behind the Wolverines in the Big Ten race a sellout is expected for the Tuesday night clash. Minnesota beat Michigan in Minneapolis last year and the Gophers, after their first Big Ten title in 27 years, vow to repeat.

The Providence Friars, 19-0, visit Villanova and risk their record as the nation's only unbeaten major team and the Oklahoma State Cowboys, needing a win to protect their shaky Big Eight lead, host the Oklahoma Sooners at Stillwater Tuesday.

The Colorado Buffaloes who upset Oklahoma State 57-54 Saturday and pulled within one game of the Cowboys, entertain Missouri tonight. Also on tap tonight are two vital games in the Southeastern Conference, Georgia at Vanderbilt and Auburn at Tennessee.

### RETURN TO LEADS

Vanderbilt regained the No. 1 spot in the SEC by defeating Florida 80-78 Saturday while Alabama knocked eighth-ranked Tennessee off the top rung 63-58.

Sharing the headlines with the Crimson Tide's upset of Tennessee was Yale's stunning 71-69 victory over Cornell at Ithaca.

## LAKERS BUMP CELTIC SQUAD

### By THE ASSOCIATED PRESS

The Cincinnati Royals, all but mathematically eliminated from the title in the Eastern Division, are pinning their hopes for the National Basketball Association playoff championship on the recovery of Jerry Lucas.

And the big man is coming along, slowly perhaps, but coming along.

He worked out with the Royals in their pre-game drills before a game in Madison Square Garden Sunday and reported: "I can shoot and I can run, but I have a sharp pain when I try to jump. I'll try it again tomorrow."

He didn't play and the Royals, who had won 15 straight from the hapless New York Knicks over one stretch, lost their second within a week to the New Yorkers, 109-104.

Philadelphia edged the Bullets 107-106 in Baltimore and the home-standing St. Louis Hawks took Detroit 112-107 in other afternoon games.

The Los Angeles Lakers knocked off the touring Boston Celtics 129-114, leaving the Celtics' magic number two. Any combination of two Boston victories and Cincinnati losses will clinch Boston's record ninth straight Eastern Division crown.

The NCCW of St. Mary's Catholic Church met at the home of Mrs. Frank Weikert on Monday evening at which time Sister John Francis of the Catholic Charities of Gettysburg told of the activities and needs of this organization.

Mrs. Harlin Lowe won the pig-in-the-poke.

The next meeting will be held March 15 at 7:30 o'clock at the home of Mrs. Harry Kane.

Rev. Father Daniel Mahoney six, fatally injured Saturday by an automobile near his home along Route 45.

## Nuclear Generators Delivered To NASA

BALTIMORE (AP)—The Martin Co. has delivered the first pair of prototype nuclear generators for use in space to the National Aeronautics and Space Administration.

The first two units contain no radioactive fuel. They will be heated electrically for their qualification tests.

Each generator is designed to deliver 30 watts of direct current to the weather satellite Nimbus B, the first NASA satellite to use a nuclear power source.

Decay of plutonium 238, which is used for fuel, generates heat which in turn is converted directly into electricity by thermocouples.

Each generator weighs 30 pounds and has a life expectancy of five years.

Circle Five of Zion Lutheran Church will meet in the parish house Tuesday evening for the purpose of knotting a comforter. All ladies of the church are welcome and are asked to bring scissors.

The following officers were recently elected to the church council at the reorganizational meeting of Zion Lutheran Church: President, William Schultz; vice president, Robert Newman; secretary, Robert Musselman, and treasurer, John Beaud.

The Fairfield Homemakers group will meet at the home of Mrs. Lloyd Benner Tuesday evening at 7:30 o'clock. Mrs. Benner and Mrs. Irene Inskip will be the leaders and the topic for discussion will be "Fruit Treasure Chest."

## GEORGE CUKOR RATED TO WIN OSCAR AWARD

By BOB THOMAS

AP Movie-TV Writer

HOLLYWOOD (AP)—When the Oscar nominations are announced Tuesday, George Cukor is certain to make the list for his direction of "My Fair Lady."

Further, he appears the man mostly likely to pick up the directorial Academy Award at the presentations April 5. Why? Because this year he won the award of his own Director Guild, which has predetermined the Oscar for the past 12 years.

He also was handed a Golden Globe by the foreign press and other awards have been coming his way almost once a week.

NOMINATED FOUR TIMES

George can happily grow accustomed to this pace. He has been overlooked in the award department for a long time.

It is one of the local puzzles that the Oscar has eluded Cukor, who has been in films since 1929. He has been nominated four times — "Little Women," "Philadelphia Story," "A Double Life," "Born Yesterday," — and has directed stars to Oscars — Ronald Colman, James Stewart, Judy Holliday, Ingrid Bergman.

"I can't explain the neglect," he commented, "except that I don't believe in getting between the actors and the audience. I came from the theater, where the text determines the style."

"I believe in working through actors. The better I succeed, the less obvious is my function."

TOP DIRECTOR

He is indeed considered an actor's director, and particularly an actress' director. Among his subjects: Garbo in "Camille," Katharine Hepburn in "Adam's Rib," Judy Garland in "A Star is Born," Ava Gardner in "Bhowani Junction," Marilyn Monroe in "Let's Make Love."

The "My Fair Lady" assignment meant sustaining two difficult performances on the screen, as well as preserving an air of elegant taste. For this, Cukor was eminently qualified, and no one realized it more than himself.

When Jack L. Warner met him on an airplane and proposed that he direct "My Fair Lady," Cukor replied: "I think you've made a very wise decision."

BURN TO DEATH

PHILADELPHIA (AP)—Mrs. Mary Leonard, 57, burned to death today when fire swept the living room of her home in the Kensington section of town.

A son Joseph, 28, who was trapped on the second floor by heavy smoke, climbed out a window to a rear shed roof. He was rescued by a next-door neighbor.

## G. Washington's Birthday Noted

WASHINGTON (AP)—Members of the Washington National Monument Society and the Joint Services Honor Guard commemorated George Washington's birthday at the monument today.

Chairman of the Washington Monument birthday celebration is Maj. Gen. U.S. Grant 3rd, grandson of President Ulysses S. Grant.

The ceremonies include posting of the colors, and placing of a wreath at the base of the monument.

## BEARS LOSE TO BUFFALO

By THE ASSOCIATED PRESS

The Buffalo Bisons are back from the mountains and Hershey goalie Claude Dufour is about ready to head for the hills.

The Bisons returned to American Hockey League action Sunday night after a four-day lark — courtesy of the club — in the Catskills and stamped the Bears and Dufour 5-3 with a 56-shot onslaught.

Jack Stanfield's goal broke a 3-3 tie in the second period, in which the Bisons outshot Hershey 24-4 and tallied three times.

Terry Gray's third-period goal gave Quebec a 4-3 victory over Pittsburgh. Cleveland, led by the Glover brothers, snapped an eight-game losing streak by topping Springfield 6-3. Len Ronson's hat trick paced Providence to a 6-3 decision over Rochester.

Saturday night, Pittsburgh walloped Hershey 8-2; Rochester beat Springfield 4-1; Quebec nipped Cleveland 2-1 and Baltimore trimmed Providence 5-2.

Pat Hannigan and Paul Popiel scored 16 seconds apart early in the middle period at Buffalo and, after Hershey's Michel Harvey tied it, Stanfield put the Bisons in front to stay.

HUMPHREY AT CAPE

CAPE KENNEDY, Fla. (AP)—Vice President Hubert H. Humphrey takes his first look today at the billions of dollars worth of laboratories and launching facilities in the nation's spaceport.

As vice president, Humphrey is chairman of the Space Council the group that coordinates federal activities in aeronautics and space development.

## GRELLE WINS THIRD MILE IN THE GARDEN

By BOB GREEN

Associated Press Sports Writer

NEW YORK (AP)—Jim Grelle may not be the best miler in the world, but there are few who would argue that the lean Californian is the best 4:07 miler around.

The veteran from Los Angeles has won three major mile races on the indoor circuit this season, and each was tailor-made for him. The fastest was 4:07.1.

"That's fine, just fine," Grelle said today. "If they want to set a slow pace, it's fine with me. I'm happy to lay back there and let them plod — then kick with them. I can kick with 'most anyone.'"

THIRD OF SEASON

That was his strategy Saturday when he loafed along in the slow-moving pack for 10 of the 11 laps of the AAU indoor championship mile at Madison Square Garden, then started his kick.

He whipped past the front-running Witold Baran of Poland just at the gun and took it going away by five yards. The time was 4:07.4.

It was his third victory on the indoor circuit this season. The others were 4:07.1 in the New York A.C. Games, and a plodding 4:13.2 in the Toronto Maple Leaf Games.

The boundaries of the Soviet Union total 38,000 miles.

# Man Almost Frozen To Death After Spending 79 Hours In Snow And Crushed Building

KETCHIKAN, Alaska (AP) — Einar Myllyla is partly frozen — but alive.

He lived for 79 hours under an avalanche of snow and crushed buildings at the devastated Granduc mining camp in north-west British Columbia.

A Finnish construction worker in his 30s, Myllyla is one of 130 miners who survived Thursday's giant slide off Le Duc Glacier near the Canadian-Alaska border. He was pulled from the ruins of a bunkhouse by rescuers Sunday afternoon, then hospitalized at Ketchikan. He was reported partly frozen and in serious condition.

## SEEK MORE MEN

Searchers continued to probe acres of ice and snow on the precarious mountainside for more men. So far 14 bodies have been recovered. At least 13 are missing.

Continuing heavy snowfall, darkness and threat of more slides hampered tired rescue crews. The finding of Myllyla renewed hopes that still more might be found alive.

Rescuers used hand tools, afraid heavy equipment would trigger another slide as they continued sifting through the devastation around the clock.

## OTHERS ALIVE

Several other miners were dug out alive earlier from under the tons of ice, snow and debris — saved only by pockets of air buried with them. About 40 were rescued Thursday from a tunnel where the miners were boring under the glacier for Granduc's low-grade copper ore.

A bachelor from Winnipeg, Man., Myllyla was saved by an air pocket in the cold, wet darkness.

Doctors here said they are amazed Myllyla could survive for more than three days. He was weak and emaciated. Parts of his arms and legs were frozen, but he had no broken bones.

Myllyla was flown out of the mountain-ringed copper mining site by helicopter. When he arrived in Ketchikan, his arms were wrapped in bandages. His hands were the color of chalk.

Dr. James Wilson said Myllyla would have to thaw out before a decision could be made on surgery. He expressed fear several fingers and toes may have to be removed. He said parts of Myllyla were frozen solid.

## A Lovelier You

By MARY SUE MILLER

When is a woman most attractive? To that query there is only one answer: When she looks as

lovely as she is. And whether she is 16 or any multiple thereof.

The key to lovely looks at every age is good grooming. In fact many an older woman joins beauty's ranks by way of fastidiousness, while younger damsels wonder how it's done.

Even so, for the past several years, slips in grooming have taken on the proportions of a mass fashion. As for example the wild, untidy hairdos and unnatural masky make-ups. Or how about the too-tight, hippy pants and the Martian headgear of rollers?

In fairness, it must be said that Dame Fashion was partly to blame for some of the errors. She initiates the styles. But it is less girls who carry them to careless extremes, and so deserve the larger share of censure. And are getting it!

Even cartoonists are taking cracks at the rolled coiffures and booted snuggles. Why not? The get-up is good for a laugh—a horse laugh.

When sloppiness goes so far that it is open to scorn, the time surely has come for a change. Happily the spirit is in the air. The whole spring look is the epitome of neat, soft femininity. Good grooming is once again the byword of milady and her fashions.

## Lady Bird Heads Preschool Plan

WASHINGTON (AP) — Mrs. Lyndon B. Johnson has launched a federal program designed to help deprived children prepare for their first year in school.

The First Lady invited some 250 well-known women to the White House Friday for tea and talk about Project Head-Start. She asked them to carry the word to their own states.

Mrs. Johnson called the program "the most exciting, productive and practical project any government can embark on."

This year, it is being financed by \$17 million in federal funds, with 300 communities ticketed to provide additional money.

The summer program will run eight weeks, and provide an estimated 100,000 youngsters with pre-school learning experiences.

## NAVY TO PULL 4 SHIPS OUT OF MOTHBALLS

By FRED S. HOFFMAN

WASHINGTON (AP) — The Navy is preparing to pull four rocket-firing ships out of mothballs to help plug a "gun gap" which has been worrying the Marines.

The four vessels — three of them dating back to World War II — each can deliver "a tremendous amount of rocket fire" against shore defenses to soften them up just before U.S. assault troops land, the Navy said.

In a related action, the Navy will keep on duty the last two heavy gun cruisers, the Newport News and the St. Paul. These ships, mounting eight-inch guns, were scheduled for retirement.

For a long time, Gen. Wallace M. Greene Jr., the Marine Corps commandant, and Navy amphibious experts have been concerned over a steady attrition in the Navy's lack of fire power to support over-the-beach assaults.

Buried in Secretary of Defense Robert S. McNamara's annual report to Congress last week was a brief mention that three medium landing ships with rockets — LSMR — and one inshore fire support ship — IFS — would be taken out of the reserve fleet during the coming fiscal year "in order to provide increased ship-to-shore fire power to 'cover' the landing forces during an amphibious assault."

## 'Truth' Packagers Reach Committee

WASHINGTON (AP) — Backers of the "Truth in Packaging" bill won a skirmish Friday as the measure was sent to the Senate Commerce Committee.

This marks the third year the bill has been introduced. It died last year in the Senate Judiciary Committee where Republican Leader Everett M. Dirksen of Illinois and others wanted it sent again this session.

## DIES IN BLAZE

The one on top is a world famous legend.

The one below it is the same legend redesigned into an all new station wagon.

It has the deluxe interior appointments and comfortable ride of a fine passenger car... carries six big adults plus more luggage and equipment than you can imagine. It's powered by America's only automotive overhead cam engine, the high torque Tornado OHC... offers optional extras such as automatic transmission, independent front suspension, power steering and power brakes. But the all new Wagoneer is really a 'Jeep' vehicle at heart.

The 'Jeep' Wagoneer goes up steep hills, over rough rugged terrain and through snow and mud that leave other cars helpless. And around slippery turns that cause fishtailing and skidding, it hugs the road with traditional 'Jeep' traction.

The big reason is 4-wheel 'Drivepower'. All four wheels are power wheels instead of just two. Take a demonstration drive soon. You've never driven a car that can do the things this one can.
